

LAKESIDE MEDICAL GROUP

EMERGENCY COVERAGE GUIDE

LAKESIDE MEDICAL GROUP

Your coverage with us is LIMITED TO:

- All types of urgent care and emergency medical that meet the AMA (*American Medical Association*) Guidelines for Standard of Care.

Providers and Patients must call us for authorizations. Payment to provider only upon authorization and approval from Lakeside Medical Group. This is a broad range of coverage.

Lakeside Medical Group operates in a Managed Care environment system very similar to how an HMO Works in the USA: your primary care physician will work directly with you, the specialists and providers as needed to manage your medical care.

If patients remain within our network of provider we can extend coverage so that you do not have to pay out of pocket.

WHAT SHOULD I DO IN AN EMERGENCY?

1. **CALL** your local emergency services.
2. **GO TO** your nearest emergency medical center.
3. **GET** medical treatment.

Ask the hospital or your friend or family to call us. If the hospital is in our network then coverage will be easier to establish. If the hospital is not in our network we will attempt to work with the hospital for coverage for you. If we are unable to do so then we will arrange for your transportation, if medically appropriate, to one of our network hospitals.
